DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Response filed 5/09/06 to Election/Restriction Requirement filed 3/24/06 is not fully responsive because, as stated in said Election/Restriction Requirement on page 6, "Applicant is advised that a reply to this requirement must include an identification of the species that is elected consonant with this requirement and a listing of all claims readable thereon, including any claims subsequently added". Applicant has properly selected all species as required, but his listing of claims does not comply with the requirement of "a listing of all claims readable thereon". Because the response appears bona fide, Applicant is given ONE(1) MONTH OR THIRTY (30) DAYS from the mailing date of this Notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. This shortened statutory period of reply supersedes the time period set in the prior office action. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 C.F.R. 1.136(a).

JPM, July 11, 2006

Patent Examiner:

Johannes Mondt (Art Un.:
3663)
